**Subject:** RE: Redistricting LA County 2011

TO: Redistricting Committee  
From: Michele Zack, Altadena resident

Please do not consider splitting Altadena in two in the redistricting process underway. Although unincorporated, it is a cohesive community with a single strong identity whose best interests would be severely damaged by not having a single supervisor to oversee its affairs.

Please see my book, *Altadena: Between Wilderness and City* (2004) to better understand the long history and strong culture of Altadena.
