I have been a registered voter and resident of Westchester, CA (90045) for fifty years. Needless to say I have seen many changes and much growth in the area;some welcomed with open arms and some garnering resident outcry. As you can see I have lived through many redistricting processes. This is the first time that I am speaking up with the written word. My request is simple. Make Westchester a whole community by moving the eastern boundary to the 405 freeway. The majority of years the present districting has allowed me to experience representation both in Sacramento and Washington, DC which does not meet the needs of the community. We are one of the last vestages of single family dwellings on the Westside and making both our districts whole would be a step toward fair representation by our elected officials for our entire community. I thank you for your time and again I state MAKE THE WESTCHESTER COMMUNITY WHOLE BY MOVING THE EASTERN BOUNDARY TO THE 405 FREEWAY. Thank you

Monica Weisbrich, RN
