The Monrovia, Arcadia, Duarte Town Council also known as the M.A.D. Town Council would like to be heard on the issue of district reform. We the M.A.D. Town council have served our three (3) communities with stellar support from our beloved Supervisor The Honorable Michael Antonovich. With his support and partnering with county departments we have successfully reduced crime rates in our communities by 30%, brought dignity, trust and confidence back to our communities. We want to continue the relationship we have with The County of Los Angeles through Supervisor (Michael Antonovich) and his deputy, we have no desire to change, what has been and will continue be an excellent relationship, that benefits the well being of these communities.

Sincerely

David Hall  
Chairman  
Monrovia,Arcadia,Duarte Town Council
