**Subject:** Pending Redistricting

Honorable Commission:

My name is Refugio Santos and I live at [REDACTED] in Unincorporated Walnut, within County district 4. I have lived in the area for 29 yrs.

I wanted to voice my desire to remain within District 4. Supervisor Knabe has been representing our district and has done this in an outstanding manner. He has kept in mind the desires and concerns of the Rowland Heights area, in relation to expansion and community development. During his tenure, Supervisor Knabe has maintained a district office in Rowland Heights. His field deputy, Mr Dick Simmons assigned to the Rowland Heights office has been instrumental in keeping our community well informed about pending changes that affect our way of life in our area. Through his work and attention he has acquired the trust and confidence of the community. He has also established an excellent rapport with the community and would be a great loss to our community if redistricting would involve the relocation of his office and/or his staff.

In conclusion I would like to make my opinion perfectly clear, that is my desire that the Rowland Heights area, be kept in District 4, for the reason I have enumerated above.

Respectfully submitted,

# Refugio Santos
