Subject: 4th LA Co Supervisory District

Boundary Review Committee,

We live in the City of Cerritos, currently in the 4th District.
We understand you are looking at redistricting which may affect our representation on the Los Angeles County Board of Supervisors.
Because our current Board Supervisor Don Knabe has done such a fine job representing the people of our District, we implore you to retain our community, the City of Cerritos in the 4th district.
Thank you for your efforts in this difficult undertaking,

Richard and Joan Redmayne
