You couldn't be more wrong about redistricting Altadena to Gloria Molina's 1<sup>st</sup> Supervisorial District. Altadena should always belong to Michael D. Antonovich's 5<sup>th</sup> District. This move couldn't be worse for Altadena! He understands the uniqueness of unincorporated Altadena while Supervisor Molina doesn't have a clue.

Use your good sense and take this plan off the table.

If you do choose to make the change, Altadena will fight you every step of the way!

Thank you for your consideration.
