I request that Altadena remain in the 5th Supervisory District. It is well known that the Los Angeles County Supervisors represent huge districts with large populations - probably the largest districts in the United States. It takes many years for each LA County Supervisor to learn about his/her area, its citizens, needs and so forth. Supervisor Antonovich after many years is very knowledgeable about Altadena and is responsive to its citizens. It is for these reasons that I request we remain the Supervisor Antonovich's district.

I also request that Altadena remain in the same congressional assembly and senate districts as Pasadena because these 2 communities have much in common in addition to being contiguous
