Subject: 5th District Boundary Review

To: Curt Pedersen, Chair
Boundary Review Committee

It is my understanding that you are reviewing the boundary lines for the 5th District of the Los Angeles County Supervisors. I am writing to earnestly request that you NOT split San Gabriel between Supervisor Antonovich and Supervisor Molina!!!

As the Marketing and Public Relations Director for the San Gabriel Chamber of Commerce, I have worked closely with our Supervisor and members of his office.

I am EXTREMELY appreciative for the continued and faithful support our Chamber - and our City - receives from Supervisor Antonovich! **WE LOVE AND VALUE HIS REPRESENTATION!!**

We struggle in San Gabriel enough as it is with division! We are challenged to find ways to successfully bring the diverse cultures - as well as "North San Gabriel" and "South San Gabriel" - together. I would HATE to see our wonderful City further divided and split in yet one more way: Between Supervisor Michael Antonovich and Supervisor Molina!!! Supervisor Antonovich has a real "FEEL" for our City and our Business Community - - and we do NOT want to give that up!!

I have known Mike Antonovich for years - long before coming to work at the San Gabriel Chamber. I became acquainted with - and developed an admiration for - the Supervisor through his support of Avenues Crises Pregnancy Center and his work with the Department of Social Services and the Foster Family Program. My niece is a Social Worker with the County of Los Angeles. Mike's love for children and support of critical programs that affect them is contagious!!

I was THRILLED when I became the Marketing and Public Relations Director for this Chamber and found out that we were part of Mike's District!! Please do NOT split our City and take us away from him!!!

I would be more than happy to discuss this with you further.

Respectfully,

Sandy Rosco
Marketing and Public Relations Director
San Gabriel Chamber of Commerce
