Subject: Redistricting-ALTADENA

To whom it may concern,

My name is Dr Sandra E. Thomas and I have been a resident of Altadena, CA for 35 years and have been involved in many areas of my community. I am currently in my 4th term on the Altadena Town Council, have served as President of the Altadena NAACP, the Altadena Kiwanis, Dean of my communities brightest academic achievers and will volunteer anytime needed as a way of giving back to the community that I truly love.

From listening to the community over the years, I've come to know what is best for Altadena and what is not. To try to move Altadena from the 5th District is certainly not best. We need to stay in District 5 and unified with Pasadena, Sierra Madre, La Canada and La Crescenta. Simply leaving us where we are, and with our 5th District Supervisor Michael D. Antonovich who has done more for Altadena than anyone in it's history, is the best option for us. He, along with his staff, in particular his Senior Deputy Sussy Nemer, have shown a sincere concern for the community and residents of Altadena.

Their ongoing support for Altadena's seniors, youth and families in general have been a true benefit to the Altadena community.

I urge you, when considering redistricting, to keep Altadena where it belongs, with the 5th District and with our Supervisor Michael D. Antonovich.

Sincerely,

Dr. Sandra E. Thomas
