Subject: redistricting of County - Altadena in particular

I am very happy with Supervisor Antonovich (and his Senior Deputy Sussy Nemer) and what they have done for Altadena over the years. I feel that he has a special relationship with Altadena and has helped the community in many ways. Supporting the Free Summer Concert Series (starting next Saturday at Farnsworth Park) and other Park programs in particular come to mind.

For this reason, as a 12 yr resident of Altadena, I request to stay in his district.
