Dear Boundary Review Committee Members:

My late husband and I have been active leaders in the Puente Hills Sanitation District and Hacienda Heights' largest dump in the US since the seventies. We moved to Hacienda Heights in 1982 and he became a board member of Hacienda Heights Improvement Association. We have both been active in the leadership of this community since the early 80's. Since the late husband passed away, I have become a board member of HHIA. Supervisor Schabarum with HHIA to pass the recycling bill in Sacramento.

Since Don Knabe has become our supervisor, a close working relationship has developed with the unincorporated areas. Don and his deputy Dickie Simmons have supported our newly passed Community Plan, our Community Center in the drawing stage, 4th of July Parade, HHIA Annual Banquet, Steinmetz Center, Taste of the Heights, Concerts in the Park, relandscaping, street signs, etc., all with a genuine concern for the best interests of HH. Without a city council, with Don Knabe, we feel less like shunned step-children of L.A. County. Don and Dickie really care!

We must keep our Fourth Supervisorial District in tact with Supervisor Knabe and Deputy Simmons! Without them Hacienda Heights, who lost cityhood twice, would be made to start over from scratch. HHIA is now 64 years old, now eligible as a senior community. We must keep our stability and continue with the Fourth District's boundaries kept as they have been for more than 20 years. Thank you for considering the urgent requests of the concerned citizens of this hard-working unincorporated community.

Sincerely, 

Thelma Jean Robson
