Subject: Altadena redistricting

I view with considerable alarm plans to split the community of Altadena into more than one district with respect congressional representation, state assembly representation, or county supervisor districts. Altadena is a single, unified community despite being unincorporated. Splitting us p between different congressional districts, state assembly districts or even between different county supervisors would have the effect of dividing and vitiating our political impact and would, in essence, effectively disenfranchise Altadena voters.

Again, Altadena is a unified community. Please don't fracture us.

Sincerely,

Tim Callahan
