Dear Mr. Pedersen:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Steve Hyde

From: Maynard Law, Board President  
ABC Unified School District  
To: The Boundary Review Committee (BRC)  
Subject: Remaining in the Fourth District  
Date: July 14, 2011

I am currently president of the ABC Unified School District Board of Education. Our award winning school district is located in the Fourth District and is served by Supervisor Don Knabe. Supervisor Knabe is a strong friend to the staff, parents, and students of our learning community. I believe his steadfast support for the education of our children is one of the reasons ABC is such an outstanding school district. In our school district, Supervisor Knabe has established strong lines of communication, built lasting relationships, and provided essential resources.

It is my strong recommendation that the BRC consider the needs of the ABC Unified School District and make sure we remain in the Fourth District.

Sincerely,

Maynard Law

Dear Mr. Pedersen:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Charlie Paquette

Dear Mr. Pedersen:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Randy Bomgaars

Dear Mr. Pedersen:

I STRONGLY SUPPORT THE RETENTION OF THE FOURTH DISTRICT BOUNDARIES. Although I do not live in the Fourth District or even the County of Los Angeles I have earned my full-time living in Los Angeles County for over 25 years. In that time I have worked closely with the Fourth District and have seen the skill it takes to work within this distinct District. Supervisor Knabe and his staff have become experts in dealing with very complex issues that are not present in other Districts. Each District has its own problems and issues, and each Supervisor has his/her own philosophies so to re-invent the wheel at this perilous time in our economy is a COMPLETE WASTE OF TIME AND EXPENSE. It is a disservice to all the communities who have been bound together very smartly by common needs and issues. Bringing in Santa Fe Springs makes sense because it is an unincorporated area as are many areas within the Fourth District, and to unify the other communities is also a benefit but to make HUGE MASS changes is not beneficial to anyone and could take years and years to settle out. PLEASE, Listen to us. Please choose the first plan for the good of all the L.A. County stakeholders. e

Sincerely,

Patricia Younis

Dear Mr. Pedersen:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

California residents (and Los Angeles County residents in particular) are trying to survive the worst economic and frightening times in the country. These fine citizens do not need additional disruption in their government.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

Los Angeles, CA 90012

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, under Plan A-2 in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Chuck Milam

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. I believe that all of Rowland Heights should be unified into the Fourth District, as should surrounding communities in the Walnut and Rowland Heights Water Districts and neighboring communities that are in the Rowland Unified School District. The Fourth District boundaries, as currently drawn, should be drawn to include areas served by the Rowland Unified School District and the Walnut and Rowland Water Districts. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Joseph Chau

Dear Supervisors:

Thank you for your ongoing public service & strategic thinking. I had the honor to meet Supervisor Don Knabe on behalf of California Association of Nurse Practitioners (on whose Board of Directors I served, & for which Supervisor Knabe graciously presented us with a Nurse Practitioner Week commendation).

While thoughtful citizens may offer differing perspectives, when it comes to redistricting, don't cut up & split apart Supervisor Knabe's 4th Supervisorial District of L.A. County.

As a 3 decade resident Hermosa Beach, then Redondo Beach, & now Manhattan Beach, I must strongly urge your support to keep our South Bay / Beach Cities) as an intact part of Supervisor Knabe's 4th District/Los Angeles County.

Currently drawn boundaries clearly need to be kept as nearly same as physically possible. Some don't realize the extent to which our M.B., R.B., H.B., & El Segundo communities train together, interact together, & count on each other to respond together via our Mutual Aid safety services. This extends to volunteer citizen groups, sworn Disaster Service Workers such as Medical Reserve Corps (via Beach Cities Health District), C.E.R.T. (Community Emergency Response Team-- via Citizen Corps, as part of FEMA), & others.

Los Angeles County's service quality & timeliness we expect are potentially endangered if you change out our 4th Supervisorial District Boundaries.

In summary, please record my vote with your Boundary Review Committee-- to NOT adversely impact our communities by splitting us apart. Supervisor Knabe serves us well; respectfully I urge your professional consideration. Thank you.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Deborah Davis

Dear Supervisors:

I strongly support keeping my ENTIRE community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

As President of the Rowland Heights Community Coordinating Council, I can advise you that our organization and our residents do not want to see our community divided into separate districts. The current split in representation has resulted in differences in service, quality, and communication we have received from the County. As an unincorporated community, Rowland Heights is directly dependent on our Supervisor to be our 'Mayor'. We need that Supervisor to represent our entire community.

Thank you for your consideration.

Sincerely,

Beth Hojnacke

Dear Supervisors:

I strongly support redistricting plan A-2. It impacts the minimum number of residents and makes the most sense.

Plan S-1 would impact over 3,000,000 people and that would cause needless problems throughout the County. Many residents so moved, those that go from a district that last elected in 2008 and are moved to a district that next elects in 2014 would be disenfranchised for 2 years.

Leave politics out of the decision. Approve Plan A-2 as recommended by the Boundary Review Committee.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Diane Jacobus

Dear Supervisors:

We strongly support keeping our community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

There is absolutely no valid reason at all to split up our neighborhoods, communities and cities which have been well managed and maintained. Dividing into separate districts will cause disappointment and Mayhem. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

We sincerely hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,

John Wu

Dear Supervisors:

Dear Committee members:

I am a senior citizen and have lived in Rowland Heights for 36 years. We are very concerned about the redistricting of our unincorporated community.

Your plan A-2 sounds like a great plan to bring other areas into District 4 such as Santa Fe Springs and unifying all of Rowland Heights and South Whittier. It is important to remain in District 4 to have more efficient service and not divided as it has been.

We have been very happy with the current representation and do not wish to change districts. We have seen lots of progress and do not wish to go backwards.

We have seen Mr. Dickie Simmons, Mr. Knabe's right hand man, at many of our functions, and I know he has an office close by. His office is very familiar with our issues and needs.

We urge you to support our little town and allow us to remain in District 4, and not move us to a different district.

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

I have lived in Long Beach for 13 years and have always appreciated Supervisor Knabe's support of our Neighborhoods. I work at CSULB for 5 years and he was a wonderful supporter there as well! Sometimes Long Beach is forgotten part of LA county, but it never seemed Supervisor Knabe felt that way, he always made the effort to support our great city.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Los Angeles, CA 90012

Dear Supervisors:

I strongly support keeping my community as part of the Fourth Supervisorial District of Los Angeles County, in the final outcome of the redistricting process.

We do not want to see our neighborhoods, communities and cities divided into separate districts. The Fourth District boundaries, as currently drawn, should be maintained as much as possible. Split communities could result in changes to the service quality and timeliness we have come to expect from the County.

I hope the Boundary Review Committee will seriously consider this input, as any redistricting changes would have a huge impact on our community. Thank you for your consideration.

Sincerely,
