BOS Customer Service:

RE: Redistricting Committee Meeting Tuesday August 9 & Supervisor Antonovich

I have been a resident of Altadena for nearly four decades. During that time, my "best" years, have been those having Supervisor Antonovich as our representative to the Los Angeles County Board of Supervisors.

Supervisor Antonovich has assisted and represented us:

- regardless of income
- regardless of race
- regardless of politics

He has represented the cross-cultural fully integrated Altadena, helping make it "The Best Neighborhood in L.A. County"

Please keep Supervisor Antonovich as our County Supervisor for Altadena.

Subject: Redistricting plan for Altadena

Hello,

We understand there will be a Redistricting Committee meeting on August 9 which will discuss Altadena among other issues.

We urge the committee to keep Altadena in Supervisor Antonovich's district. Supervisor Antonovich has been a staunch supporter and representative for Altadena. He maintains open lines of communication and ensures that his staff provide timely assistance to residents of the community regardless of race or economic status. We wish to continue to be represented by Michael Antonovich.

PLEASE DO NOT REDISTRIBUTE ALTADENA!

We want to keep Supervisor Antonovich as Altadena's representative to the Los Angeles County Board of Supervisors. He and his staff have been supportive in all of us, regardless of our economic status or race. He understands our issues at hand and has helped make a difference in our community.

Thank you

Re: Recommended Redistricting Plan

Hello,

I have just reviewed the Boundary Review Committee's report and recommendation at <http://redistricting.lacounty.gov/wp-content/uploads/2011/07/BRC-Final-Board-letter-072511.pdf>

I am pleased to see that the recommended redistricting plan retains Altadena as a complete entity within the Fifth District. This recommended plan makes much more sense for Altadena than did several of the other proposed redistricting plans.

Please read this text, which has been taken directly from the Altadena Town Council website at <http://www.altadenatowncouncil.org/> :

Altadena has remained an unincorporated area within Los Angeles County since founding in 1887, and has a Town Council that is among the **Fifth District's most well developed**. The Council's 16 members are elected as an advisory body that communicates and coordinates residents' needs with public agencies and to the **Supervisor of the Fifth District**, its official representative on the Los Angeles County Board of Supervisors.

As **decision makers** on this redistricting effort, the **Board of Supervisors** should be considering the **practical effects** of all proposed boundary changes on the **affected communities** as a whole, and **not just juggling individual census numbers within a vacuum**.

A Google search using the keywords **"+Altadena +Antonovich"** turned up more than **21,000** hits. This number should serve to **quantify the extent of the relationship** that Supervisor Antonovich of the Fifth District has already established with the Altadena community. **There is significant "intellectual capital" at stake here**. Moving Altadena (or even a portion of Altadena) to a different District will cause a "restart from the beginning" of all the existing knowledge and plans and relationships (including Supervisor Antonovich's all-important Field Offices) that **have taken years to establish and nurture**. Supervisor Antonovich has been **both pro-active and responsive** to Altadena's concerns; **Altadena has made significant progress as a result** (note particularly the recent incorporation of the Hillside Ordinance into the Altadena Community Standards District.)

Please leave Altadena intact, and wholly within the Fifth District, in the final redistricting plan.

Please adopt the final redistricting plan as recommended by the Boundary Review Committee.

Thank you for listening to a very concerned resident (for 30+ years) of Altadena.

Best regards,

Nancy Rothwell
