GLORIA MOLINA
SUPERVISOR, FIRST DISTRICT

August 16, 2011

Ms. Sachi Hamai
Executive Officer
County of Los Angeles
500 West Temple Street, Room 383
Los Angeles, California 90012

Dear Sachi:

On August 9th, at the meeting of the Los Angeles County Board of Supervisors, compelling arguments were heard to create two Latino opportunity districts while preserving an African American core district. The Board has an obligation to establish two Latino opportunity districts based on the arguments outlined in the "Minority Report". I present this new map as another opportunity for the Board to consider maps which create an opportunity that adheres to the Voting Rights Act, and includes other indicators such as socio-economic conditions.

The Mayor of the Board of Supervisors has approved the addition of the proposed redistricting plan Voting Rights Compliant Map to be added as a set item for public hearing on the Tuesday, September 6, 2011 Board Agenda.

Therefore, I instruct the Executive Officer to set for public hearing on Tuesday, September 6, 2011, the proposed redistricting plan—Voting Rights Compliant Map. The Executive Office shall take whatever steps necessary to set and hold the public hearing. The analyses and supporting documents required for the public hearing shall be coordinated with the Executive Office, the Chief Executive Office, and County Counsel. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Gloria Molina".
