Re: Los Angeles County's Proposed Assembly Redistricting of Altadena, California

Please do not change the current Altadena Assembly District!

Altadena, an unincorporated area in Los Angeles County, is a well-defined community with a history going back to the 1880's and occupies a single area between the northern boundary of Pasadena and the Los Angeles National Forest.

Altadena should not be split among supervisorial districts.

Altadena and its closely related sister cities, Pasadena, and Sierra Madre, share a common school district and should remain in one district.

Altadena, Pasadena, and Sierra Madre should remain in Supervisor Michael Antonovich's district.

Thank you for your help to keep the current Assembly District for Altadena.

Very truly yours,

Carole Miller  

Altadena, CA
