Subject: Redistricting LA County 2011
Date: Tuesday, July 05, 2011 11:53:33 PM

Dear Boundary Review Committee,

As a resident of unincorporated La Crescenta-Montrose, I ask that you please keep our community in the Fifth Supervisorial District of Los Angeles County.

The La Crescenta and Montrose communities have a long-standing relationship with our neighboring Communities of Interest - La Canada Flintridge, Glendale, Altadena, Sunland and Tujunga. During the past few years, these foothill communities have been deeply affected by the Station Fire and the following mud/debris flow dangers. Supervisor Antonovich and his staff are familiar with and communicate with the local Town Councils and City Councils in our communities.

In addition, many community members and I have worked closely over the past 4+ years with Supervisor Antonovich's Deputy, Sussy Nemer, on the first dog park to be built, owned and maintained by Los Angeles County and last year, our community was extremely fortunate to open and dedicate our much needed new library, which had been in the works for 8+ years. Neither of these projects would have been possible without the help and support the Supervisor and his Deputy gave our local Town Council and the respective task forces for each project, comprised of citizens and leaders from our community.

Our community is a small "island" of unincorporated Los Angeles County, surrounded to the north by the San Gabriel Mountains, the west and south by the City of Glendale and to the east by the City of La Canada Flintridge. The County is an extremely large, very complex and often difficult entity to navigate and since we have no local government, Supervisor Antonovich and Deputy Nemer are vital to the continued well-being and success of the La Crescenta-Montrose community and its businesses and residents.

I respectfully request that during the final redistricting process, the unincorporated communities of La Crescenta and Montrose remain in the Fifth District with Supervisor Antonovich, along with our neighboring Communities of Interest - La Canada Flintridge, Glendale, Altadena, Sunland and Tujunga. Thank you for taking my input into consideration.

Cheryl Davis
Resident

La Crescenta, CA 91214
