Kathay Feng, Esq., National Redistricting

Full Bio: <https://www.commoncause.org/people/kathay-feng-2/>

- Has led Common Cause's work to challenge partisan and incumbent gerrymandering, through litigation, state-based organizing around ballot initiatives and legislation and creating new platforms for community-based redistricting
- As Executive Director of California Common Cause, championed and won election and redistricting reforms, stronger government sunshine and accountability laws, campaign finance reforms, stronger net neutrality laws, and the voting rights of traditionally disenfranchised communities
- Is the architect of California's Citizens Redistricting Commission, leading the multi-year effort to study, write, and pass the two initiatives, Propositions 11 and 20, that created the commission and new community-focused process
- Led efforts that secured passage of California laws bringing online voter registration and same day registration (called conditional voter registration) to the State
- Locally, helped lead successful efforts to improve Los Angeles' matching funds campaign finance system, providing a super-match of public funds to city office candidates that raise small dollar donations from city residents
- Anchored California's election protection efforts, assisting and independently monitoring elections throughout the state, since 2006
- Before Common Cause, headed the Voting Rights and Anti-Discrimination Unit at the Asian Pacific American Legal Center
- Serves, or has served, on numerous boards including the California Secretary of State's Advisory Committee on Voter Participation and Outreach, the LA County Human Relations Commission, and the Asian Pacific Policy and Planning Council
