4	Gayle C Stewart	Oppose	<p>I am going to start a petition against your letter to change California Primary Election Day. If the President of the United States can't change the election day what make you think that your Redistricting Commission can change California Election Day because of your deadlines (ARE YOU SERIOUS) You are not representing the voters on this!!! This reason is your personal committee problem not the voters.</p> <p>Secondly, your Redistricting committee have more male than female. If you would have done a survey you would know that more female voters vote more than male voters. This is not fair to Los Angeles County citizens. This is bias as well as the number of blacks, mexican, white, independents, etc that is on the redistricting commission. It is uneven in representation of the California Voters</p>	3/24/21	None
6.b.iii	Gayle C Stewart	Oppose	<p>THIS IS A POOR EXAMPLE TO EVEN VIEW OR LOOK AT - You are viewing Steve Lynn, Arizona Independent Redistricting Commission as an example which shows:YOU ARE NOT IMPARTIAL. NDRC(National Democractic Redistricting Committee have filed lawsuits on Arizona Independent Redistricting Commission due to Lobbyist and Trump Rally Host. You need to get advice from experts like Nate Holder who is an Attorney General that knows the law about Redistricting and Gerrymandering</p>	3/24/21	See A-1
