Tieira Ryder	90066	How the West Was Saved	We are in desperate need of adequate affordable housing in our coastal cities! Poverty in all of LA County is at a all time high and it's very visible! Local cities like Santa Monica have been allowed to uphold illegal segregation as it relates to race & class, that must END!	N/A We need the coastal cities working in alignment from Culver City to Santa Monica, Mar Vista, Playa Del Rey, and Marina Del Rey.	Affordable Housing, housing, and more housing! We need more safe walkable cities that are pedestrian, bike, and public transit friendly! The "redlining" of Santa Monica city has gone on long enough and the incorrectly zoned Santa Monica airport space belongs to Mar Vista & Venice residents as much as it does Santa Monica residents. <a href="https://www.change.org/CloseTheSantaMonicaAirport">https://www.change.org/CloseTheSantaMonicaAirport</a>	<a href="https://www.change.org/CloseTheSantaMonicaAirport">https://www.change.org/CloseTheSantaMonicaAirport</a> Please support our efforts to close the incorrectly zoned Santa Monica airport & Penmar golf course, so that a walkable community that includes both affordable & market-rate housing can be developed! The working class, seniors, students, those with low or no income, and many others are in need of housing that they can afford!

County of Los Angeles Citizens Redistricting Commission  
500 W. Temple St.  
Los Angeles, CA 90012

*RE: The City of Long Beach's Position on Redistricting Priorities*

Dear Commissioners,

On behalf of the City of Long Beach, thank you for your leadership in the redistricting process, and congratulations on being chosen to serve on the County of Los Angeles Citizens Redistricting Commission. I write to express the City of Long Beach's priorities for redistricting.

As part of the City's 2021 State Legislative Agenda, unanimously adopted by the Long Beach City Council on January 19, 2021, the City's official position is to support redistricting policies, practices, and legislation that **preserve the geographic and demographic integrity of the City through district lines that keep Long Beach together as has been the case in the past two redistricting cycles.**

In past redistricting cycles, the City has been largely kept intact with a vast majority of Long Beach represented by predominant seats in the State Legislature and U.S. Congress, and with a single seat at the County level. With approximately 467,000 residents, Long Beach is the seventh most populous city in California and is home to one of the state's most diverse communities. The City covers more than 52 square miles of land in Los Angeles County. Given the diversity of the City, it is critical that the redistricting process keep our community together and not divide Long Beach further into different districts.

If you have any questions about the City's redistricting priorities, please do not hesitate to contact Tyler Bonanno-Curley, Manager of Government Affairs, at (562) 570-5715 or [Tyler.Curley@longbeach.gov](mailto:Tyler.Curley@longbeach.gov).

Sincerely,

THOMAS B. MODICA  
City Manager
