4.a.	ALYSSA F HYNDMAN	Other	<p>WE URGE YOU TO CONSIDER KAGEL CANYON WHEN MAKING YOUR RE-ZONING DECISION. WE NEED TO REMAIN IN A DISTRICT WITH RURAL NEIGHBORHOODS WHO ARE VULNERABLE TO THE HIGH WINDS, FIRE SEASON DANGER, & REGULAR POWER OUTAGES. WE NEED TO NOT BE GROUPED INTO A NEIGHBORHOOD AREA THAT EXPERIENCES OPPOSITE CIRCUMSTANCES.</p> <p>WE ARE RESIDENTS OF KAGEL CANYON AND WANTED TO VOICE OUR IDEAS THAT ARE HOPEFULLY CONSTRUCTIVE. AS MEMBERS OF A RURAL COMMUNITY, WE WOULD LIKE TO BE GROUPED INTO A DISTRICT WHERE THERE ARE SIMILAR COMMUNITIES TO US AND TO BE ABLE TO BE REPRESENTED BY SOMEONE WHO HAS A THOROUGH BACKGROUND THAT IS FAMILIAR WITH OUR CIRCUMSTANCES.</p>	10/26/2021	n/a
4.a.	David A Gershwin	Favor	<p>I am in favor of OP 004 and OP 008 as they are the most sensible maps presented. These maps keep the San Fernando Valley in one district and also keep an African-American district. They are successful in keeping over 90% of LA County cities and communities whole while also keeping the Las Virgenes Malibu COG whole. Both maps also adopt the LA City Council Redistricting Commission goal of not moving a SFV district south of Mulholland Drive.</p>	10/26/2021	n/a
4.a.	Eddie De La Riva	Other	<p>I have served on the Maywood City Council, since 2013. In that time I've had the opportunity to personally witness and experience the importance of having proper representation at all levels of government. That is why I submit this comment asking that all Southeast LA (SELA) cities be kept together in one district and that we remain in District 1 under Supervisor Solis. She has been an incredible advocate and champion of our region and we feel we finally have the representative we deserve. I urge you to please consider keeping SELA together under Sup. Solis.</p>	10/26/2021	n/a

4.a.	Edythe Mostin	Favor	I am not happy with the changes to the Redistricting Map/borders, especially Woodland Hills in this mix! Plenty of funds have been set aside for the 2035 Urban Expansion Plan. Since funds and borders have already been approved in progress to make Woodland Hills the Uptown of the San Fernando Valley.. What the map shows is exactly the opposite. This must be re-examined.	10/26/2021	n/a
4.a.	Lucy L Demirjian	Other	The City of South Pasadena is in strong support of Model B (COI), which includes the City with the San Gabriel Valley, as it has established relationships with these cities and continues to work with them on issues of regional significance and mutual concern, including housing, homelessness, transportation, water and the environment. The City's preference is to remain with the San Gabriel Valley and also suggests including the cities of Glendale and Burbank in the district as these cities also share common interests with the San Gabriel Valley region.	10/26/2021	n/a
4.a.	Tamaryn Byrne	Favor	See attached letter from our El Camino Village Association. We would like to discuss our community being considered as a "seaside" community which is more inline with our community needs. Please direct us to contact appropriate official to take next steps.	10/25/2021	View Attachment
4.a.	Theresa Fuentes	Other	Keep Altadena in the same district as Pasadena. See my submitted comment letter.	10/25/2021	View Attachment
4.b.	Amos Kardos	Oppose	I strongly oppose your proposal to lump the entire San Fernando Valley into one district. I do not believe that the porter ranch area shares local concerns with other Valley residents other than the north end which share fire concern and gas storage/leak. All areas of Los Angeles are concerned and share safe neighborhoods, traffic/road condition, schools etc. districts should be Designed so that they include those extraordinary items that are not shared by other areas when such conditions exist.	10/23/2021	n/a
4.b.	Edythe Mostin	Favor	See above.	10/26/2021	n/a
4.b.	Jane Stanton	Oppose	I oppose changes. Chatsworth Lake Manor/Chatsworth/Porter Ranch/Twin Lakes/Granada Hills are closer in economic and cultural ties to Santa Clarita Valley than Sherman Oaks/Studio City. Many equestrian communities do not reflect our wildfire concerns, the communities of the northwest and east have year round fire concerns. The entire San Fernando Valley is not one community of interest. The commission has broken up much smaller areas into communities of interest, the SFV should be treated the same.	10/26/2021	n/a

4.b.	Tamaryn Byrne	Favor	Please see letter from our El Camino Village Association attached. We are interested in being contacted by someone from your board to discuss our community being included in the "seaside" district moving forward. Due to the short notice of this redistricting occurring, we need more time to thoroughly analyze and discuss with the proper officials.	10/25/2021	View Attachment

4.d.	Eddie De La Riva	Other	I urge you to consider maps that keep SELA together under District 1 with Supervisor Hilda Solis. She has proven to be a champion for the Southeast and a true representative of our communities, something we haven't had in some time.	10/26/2021	n/a
4.d.	Jessica Gonzalez	Other	I'd like commissioners to take into consideration when drafting maps how many Latino votes (CVAP) will be deferred within each district. I would also take into consideration white, Asian, Black, & other.	10/26/2021	n/a
OP 001	Stuart Waldman	Oppose	This map cuts the San Fernando Valley into two districts and eliminates the African-American district.	10/26/2021	n/a

OP 004	John Genga	Favor	I have lived in the Valley since 1998 and support OP 004 and OP 008 as the most sensible maps. They keep the San Fernando Valley in one district and preserve an African-American district. They keep over 90% of LA County cities and communities whole, and do not move a SFV district south of Mulholland Drive. Districting should maintain communities and these maps do that.	10/26/2021	n/a

OP 013	Stuart Waldman	Other	Not bad. But we agree with the LA City Redistricting Commission that districts should not go south of Mulholland Drive.	10/26/2021	n/a

OP 018	Stuart Waldman	Oppose	Commissioner Stetcher is great. But this map isn't. Puts the SFV with the Westside and splits the Valley in two. But a better split than most.	10/26/2021	n/a
