

# LOS ANGELES COUNTY **REDISTRICTING 2021**

## COMMISSION AGENDA REPORT

**TO:** Honorable Commissioners

**FROM:** Holly O. Whatley, Independent Legal Counsel

**DATE:** November 16, 2021

**SUBJECT: Resolution Reauthorizing Hybrid or Fully Teleconferenced Meetings of the Commission For a 30-Day Period**

### **SUMMARY**

The Los Angeles County Citizens Redistricting Commission (LA CRC) will consider reauthorizing the use of hybrid and fully teleconferenced meetings for another 30-day period consistent with AB 361.

### **DISCUSSION**

On September 29, 2021, the Commission approved Resolution No. 2021-01 authorized hybrid and fully remote meetings consistent with Assembly Bill No. 361 (AB 361) which authorizes local governments to continue to organize fully remote and hybrid meetings. The Commission extending that authorization for another 30 days on October 28, 2021, by Resolution No. 2021-02.

Before the Commission is a proposed resolution to reauthorize hybrid or fully teleconference meetings for another 30-day period. The attached resolution contains the necessary findings reauthorizing LA CRC to use hybrid or fully teleconferenced meetings for an additional 30 days. Such findings are based on the original declaration of emergency, the June 11, 2021, State Public Health Officer order and the September 28, 2021, Los Angeles County Health Officer order. The two health orders continue to recommend social distancing measures for the protection of public health and safety.

This proposed second reauthorization will last through the December 15, 2021 deadline for the Commission to adopt its map. Should the Commission need to meet after that date, it would need to adopt another extension if it desires to maintain fully remote or hybrid meetings.
