Commissioner Priscilla Orpinela-Segura had provided her input prior to the meeting since she was going to be unable to attend the October 28, 2021, meeting. She provided the following caveats to her map choices:

- Map 8: Put Downey with SD 4, Pasadena with SD 5, El Monte with SD 1
- Map 12: Put El Monte and North El Monte together; add Duarte to SD 1; remove Pico Rivera and Whitter from SD 1 into SD 4

The Commissioners explained individually the logic behind their selected top 3 map choices and related considerations. Maps 12, 15, 18, and 23 had the highest ratings.

The Commissioners discussed other maps that were comparable to each other. For example, Commissioner Brian Stecher indicated that Map 23 is similar to Map 2; Map 18 to Maps 10, 14, 17, 27; and Map 15 to Map 19. Commissioner Holtzman pointed out that Map 24 is similar to Map 12.

### *Map 12 Prepared by the People's Bloc*

A motion was made and seconded to adopt Map 12 as an option for further review and refinement at the upcoming public hearings.

Commissioner Mark Mendoza proposed an amendment to add Map 18 as part of the motion. Commissioner Doreena Wong seconded the motion. The Commissioners discussed the merits of the amendment and the usefulness to approve maps one-by-one because Commissioners may prefer one map over another.

Commissioner Mark Mendoza withdrew his amendment.

The motion was then voted on and approved.

## 5c. Consider Adopting Resolution Authorizing the Continuation of Hybrid and Fully Teleconferenced Meetings of the Commission for a 30-Day Period– Co-Chair Carolyn Williams and Co-Chair Daniel Mayeda

Holly Whatley, Independent Legal Counsel to the LA County CRC, presented her Staff Report. Recently passed legislation allows legislative bodies to continue to conduct teleconference meetings after September 30 if certain criteria are met and findings made. The LA County CRC adopted the formal Resolution No. 2021-01 on September 29, 2021, to conduct its meetings virtually within the following 30 days. Resolution No. 2021-01 expires on October 29, 2021.

The LA County CRC needs to re-adopt such findings at least every 30 days to enable the resolution to continue in effect because of health and safety issues.

Such extension of Resolution No. 2021-01 would permit the LA County CRC to conduct its public hearings virtually in November (through November 28, 2021), as well as meetings within the following 30 days.

The LA County CRC will need to re-adopt such findings at least every 30 days to enable the resolution to continue in effect.

**Public Comment:** Joseph Roth

**REAUTHORIZING HYBRID OR FULLY TELECONFERENCED MEETINGS OF THE  
COMMISSION FOR A 30-DAY PERIOD**

**WHEREAS**, the Los Angeles County Citizens Redistricting Commission is committed to preserving and nurturing public access and participation in meetings of the Commission; and

**WHEREAS**, all meetings of the Commission's legislative bodies are open and public, as required by the Ralph M. Brown Act (Cal. Gov. Code 54950 – 54963), so that any member of the public may attend, participate, and watch the Commission conduct its business; and

**WHEREAS**, the Brown Act, Government Code section 54953(e), makes provisions for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

**WHEREAS**, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code section 8558; and

**WHEREAS**, it is further required that state or local officials have imposed or recommended measures to promote social distancing; and

**WHEREAS**, such conditions now exist in the County, specifically, the Governor proclaimed a State of Emergency on March 4, 2020 due to COVID-19; and

**WHEREAS**, members of the public will be able to participate remotely through the digital means listed on the meeting agenda and, for hybrid meetings, in person provided applicable masking and social distancing protocols are followed.

**NOW, THEREFORE, BE IT RESOLVED**, the Commission hereby finds, determines, and orders the following:

1. Recitals. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.
2. Remote Teleconference Meetings. The Commission shall conduct its meetings without compliance with paragraph (3) of subdivision (b) of Government Code section 54953, as authorized by subdivision (e) of section 54953, and shall comply with the requirements to provide the public with access to the meetings as prescribed in paragraph (2) of subdivision (e) of section 54953; and
3. Hybrid Meetings. Organizing hybrid or fully teleconferenced meetings presents the best compromise between the competing goals of facilitating public meetings under the Brown Act and social distancing under the public health orders; and
4. Delegation of Authority. The Executive Director is hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including, conducting open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act.
5. Effective Date of Resolution. This Resolution shall take effect immediately upon its adoption and shall be effective for 30 days, or such time the Commission adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the Commission may continue to teleconference without compliance with paragraph (3) of subdivision (b) of section 54953.
